### 2008 Transfer of Ownership Fee - \$50.00

You must use this form to report a transfer of ownership. Be sure to complete both pages of the form. Any erasures or alterations on the form must be accompanied by a written statement from the recorded owner explaining the altered information.

Return the completed form to the address shown above, along with your check for \$50.00 (made out to The Oldenburg Horse Breeders' Society). Be sure to also include the original white ownership papers *AND* the original passport if born in 2000 or later. If the horse was born before the year 2000, the horse may only have original pink papers. The green passport from the FN if he/she was born in Germany is not the correct passport. We require the papers and passport issued by the breed organization.
