Origin: Aalborg combines the versatile blood of Absatz through one of Akzent II's best sons, Acapulco, with the Hanoverian D line through Dynamo, sire of World Cup Jumper, "Dollar Girl". Autocrat's dam, the SPS mare Malvine, was awarded 1a status 4 years in a row at the mare show in Altenbruch. Her sire Matcho, is much sought after for his riding horse qualities with offspring that are all very good in temperament, rideability, and good gaits. Malvine also brings the highly valued Der Lowe bloodlines from her dam SPS Lioness through the Lugano II son Lombard.

Performance Record: Autocrat was imported from the Celle State Stud & is approved: VhW, AHS, GOV, CSHA & CWHBA. Autocrat successfully completed the 300 DAY TEST at ADELHEIDSDORF ranking 14th out of 50 stallions. Auto placed 7th in dressage with over 120 points, scoring 8's in: Character, temperament, willingness to perform, rideability, trot, canter, and jumping scope. Autocrat displays elastic supple movement and large rhythmic gaits. Although currently in dressage training, he is equally at home over fences. In March 2008, Autocrat went to his FIRST SHOW – The Cornerstone Dressage Festival at the Los Angeles Dressage Center in California with his rider Betty Wells. Auto & Betty had a very successful show, placing 2nd in all his Open 3rd Level tests. In his first class of 13 horses he scored 64.615% and was 2nd only to Willy Arts riding Valeska who was selected for the 2008 World Young Horse Championships.

Breeding/Progeny Record: Autocrat is producing Premium and Champion offspring at Inspections and at breed & line shows. In 2008, his oldest offspring turned three & have been started under saddle and are proving to be easy to start, brave and willing to learn. They being sought after by both hunter and dressage competitors. His offspring show much quality and are long legged with beautiful heads, necks, & toplines. He is a unique choice for mares of the popular D, R and W, lines.
