Origin: By the fantastic stallion Belissimo M, Benidetto was a premium stallion at his licensing as a 2 year old. Belissimo M now has numerous approved stallions, Elite mares, top selling auction horses and Bundeschampionat qualified horses/winners.

Dam SPS Crispy Sweet herself has produced top auction sellers and her dam was successful at Grand Prix.

Performance Record: At his 70 day test, Benidetto was 5th overall from a field of 39 horses with an overall score of 122.92 (Class 1 stallion). He scored 128 in dressage (3rd) and was the highest scoring in jumping from all the dressage horses, including an 8.75 in cross country! Additionally, Benidetto qualified for the 2009 Bundeschampionat, with an 8.0 and won one opening class with an 8.3.

Breeding/Progeny Record: Benidetto's first foal crop arrived in 2009 and was excellent! His one US filly was champion filly at Paxton farm. He also sired the reserve champion at the German Hanoverian Foal Championship. This filly scored a 9 for movement! Elegant, leggy and elastic with big movement and a well set neck is prevalent in every foal.
