Origin: Cabardino was Reserve

Champion at the Oldenburg International Stallion Approval for Show Jumpers. He has premium status with the German Holstein Association. Cabardino passed the 30 day test in Germany and qualified for the Bundeschampionat with an extraordinary jumping score of 9.

Performance Record: Cabardino has won countless 4' Regular Hunter Championships in the US(including WEF) & Canada. Highlights include Cabardino's win of the Canadian Championship at the Royal in 2007 & the Reserve Championship in 2008. Cabardino won several Grand Hunter titles both in the US and Canada including the 2008 Royal Winter Fair Grand Champion Amateur trophy. In 2009, Cabardino was shown successfully in jumper classes at 1.35 m level.

Breeding/Progeny Record: Cabardino - a stallion who combines scope, technique, temperament, beauty and outstanding athleticism in one complete package. During his first year of breeding in Germany, Cabardino sired an approved stallion.

Cabardino is known to produce beautiful, tall, very flashy and refined foals with excellent movement. He passes on his extraordinary jumping technique. Cabardino has produced numerous premium and several Champion foals in North America including two Champions at the 2009 Royal Winter Fair.

Cabardino's temperament is second to none and his scope and technique over jumps is simply extraordinary. Please visit our website to see videos & pictures of Cabardino and his extremely athletic, beautiful offspring.

Both cooled and frozen semen is available at all times throughout the breeding season. Semen can be shipped from Canada into the US without any restrictions or permits.
