Origin: Cacique is sired by athletic jumper Cambridge. Cambridge is known for his successful breeding career that has presented progeny endowed with outstanding paces, true to the type of their remarkable sire. These exemplary traits are evident in the outstanding gaits of Cacique.

Cacique is out of Kalanda II, a modern, beautifully refined Verband States Premium mare (53 bonits) Kalanda is sired by Linaro, a Verband Stallion Approval winner and Stallion Performance test Champion. Linaro's sire Landgraf I is known as the most important stallion in the past half century of Holsteiner breeding.

Performance Record: Cacique is bred to be a champion. He has gone on to a highly successful career in the Dressage Arena. He was moved to California in 2006 to continue to develop his career under the guidance of the internationally acclaimed trainer/ rider Sabine Schut-Kery. Some of his performance highlights include 2007 Reserve Horse of the Year Region 9. 2008 winner Prix St. George USDF Adequan All Breeds, Holsteiner. And most recently 2009 California Dressage Society- Prix St. George Horse of the Year and USDF Prix St. George Region 7 Champion.

Breeding/Progeny Record: Cacique produces many premium foals and site champions.
