Origin: Contiano BF's sire Contefino achieved the rare perfect 10 in jumping at his stallion licensing, finishing a bonit score of 54, ranking first in his approval year. Contefino was purchased for over \$1million USD to stand at the famous Stall Hell in HOLstein where he bred and showed internationally in the young horse classes in Europe. Today Contefino stands as a top private stallion in Europe and starts his international sport career at 1.60 under rider Omar Bonomelli. Contiano's mother Lucille is an Elite Westfalian mare with an excellent dressage and jumping sport history as well as representing the powerful jumping and dressage lines of Landino, Pilot, and Der Clou.

Contiano BF is also licensed by the American Holsteiner Horse Association.

Performance Record: Contiano BF scored 9.5 on his jumping ability and technique at his Oldenburg Verband stallion licensing inspection in 2009. His exceptionally calm and intelligent manner, his lovely expressive gaits, and his explosive jump make him an ideal all around young stallion for anyone looking to improve their mare with a foal they can raise up and ride themselves in sport.

Breeding/Progeny Record: This is Contiano BF's first breeding year. Look for offspring in 2011.
