**Origin:** Caprimond, Contucci's sire, is always ranked near the top of the Jahrbuch Hengste listings for conformation, type, gaits, and rideability. He was a successful Grand Prix competitor in addition to his demanding breeding career. Caprimond was the 1998 Stallion of the Year. Contucci's dam Laureen was very successful in her Mare Performance testing, receiving 9's on all her gaits and earning an overall score of 8.1, and Contucci's full-sister, Capricia, is currently competing at the FEI levels.

**Performance Record:** Since 2002, Contucci has consistently earned top rankings on the USDF and USEF lists of Leading Sires, including being named the 2005 USEF Leading Sire for Dressage Breeding. Contucci won the dressage portion of his 100-Day test with an impressive 147.11, earning six 9's and overall Class 1 Status. He was trained through the FEI levels and has always exhibited a great enthusiasm for his work and wonderful rideability.

**Breeding/Progeny Record:** Contucci has continued to validate our confidence in him with over 80 Premium offspring, annual Inspection Site Champions, numerous Elite Candidate and Premium mares, and four Licensed stallion sons. Contucci has sired the 2006, 2007, & 2008 USEF/Markel FEI Young Horse National Champions and multiple USDF All-Breeds Awards winners at all levels. He has sired three Reserve Grand Champions of Dressage at Devon, the 2008 Foal Champion of Dressage at Devon, and has sired more USDF Breeders Series Champions/Reserve Champions throughout the country than any other stallion.
