**Origin:** Deklan is by Dauphin (Donnerhall/Feiner Stern) who was bred by Maxine Mickel in Germany. After his licensing, Dauphin was invited to join the 49 state-owned stallions for their 11 months training and testing at Adelheidsdorf, where he finished overall 10th and 4th in Dressage with a score of 125.13. Since completing his performance test he has been leased by the Hanoverian State Stud in Celle, and is known for producing typey, modern foals with especially good walk and canter. Deklan's grandsire is the legendary Donnerhall - world class Grand Prix competitor and "Stallion of the Century". Deklan's dam, EM Papagena (Pablo/Saloniki), was Champion Filly and Champion Young Horse at Devon in 1994; and in 1995 she was Young Horse Champion and Reserve Grand Champion, PVDA. She was the Champion Mare at her Hanoverian inspection. Her Sire, Pablo, was the Champion at his Licensing and Reserve Champion of his 100 Days Stallion Testing.

**Performance Record:** Deklan is a beautiful, modern type with elastic, uphill movement and has demonstrated very good character and rideability. In 2007, Deklan was the USDF Materiale Horse of the Year for 3-year-old Colts/Geldings, and at his first Breed Show and USDF/DSHB Qualifier was named the Champion for 3-year-old Colts and Geldings, Champion Young Horse, and High Point Hanoverian with 80.15%. In 2008, Deklan competed at Training Level with scores to 75.2%.

He was licensed for breeding by the Oldenburg Horse Breeders Society. In March 2009, Deklan completed his 30 Day Test with the following scores: 9.13 Interior; 7.5 Walk; 8.13 Trot; 8.5 Canter; 8.75 Rideability; 7.13 Jumping for a final score of 8.18 and Reserve Champion.
