Origin: Denario descends from the Birkhof-sire Denaro (Dressage index of 146), who was a finalist at the National Young Horse Championships

and produced excellent foals. Denario's dam descends from the Reserve Champion of the '89 approvals in Oldenburg, Fair Play, who himself was highly successful up to the advanced levels of dressage. His pedigree is rounded off by established Hanoverian bloodlines such as Wiener Dom (Wienerwald/ Domspatz) and by adding two renowned thoroughbreds: Vollkorn xx and Der Löwe xx.

Performance Record: Denario is a stunning stallion with overwhelming paces of unique suppleness, with very good loose jumping and a fantastic temperament – always presenting himself as a very level-headed horse.

Denario started his one-of-a-kind career at the Southern German Stallion approvals in Munich in 2006. Based on his exceptional qualities he was crowned the highly acclaimed Champion Stallion. Coming 3rd at the 30-day test (8,5) in Neustadt/ Dosse, attended by numerous high-calibre stallions, was yet another highlight in 2006.

In 2007 he set the bar high by becoming the threefold Champion of the Bavarian Regional Championships in Ansbach, the Southern German Championships in Nördlingen (dream score of 9,75 awarded by test riders) and the absolute highlight: winning the National Young Horse Championships in Warendorf. His performance was superior not only when ridden by Nicole Casper, but he also demonstrated his outstanding rideability and his temperament with the two test-riders (9.5).

Breeding/Progeny Record: National Young Horse Champion Denario stands for the sports-horse breeding of the future. His first crop of foals includes numerous winners awarded 'Premium' status.

Approved for Oldenburg, Rhineland / Pfalz-Saar, Bavaria, Hessen, Saxony, Thüringen, Baden-Württemberg and Italy.
