ed in stud fee.

Origin: Don Angelo has outstanding bloodlines. His sire is Don Larino descending from the legendary Donnerhall bloodline. His dam sire is Rubinstein I who has proven to pass on his wonderful temperament and movement and whose offspring have won many championships.

Performance Record: Don Angelo has had a very impressive show record. In 2006 he qualified for the Young Horse Eastern Selection Trials with his first show. He went on to be Reserve Champion 6 year old at the Eastern Selection Trials and was shortlisted for the 2006 World Championships for Dressage Horses in Verden. The following year, at 7, he was the USEF National Developing Horse Champion. At 8 he was the USEF National Intermediaire Champion. In 2009, at 9, he made his debut into the Grand Prix arena with a 70%. He has proven to have exceptional ridability and disposition. He is a gentleman in every way.
