Origin: Sire Diamond Hit successfully absolved his 30 day test in Vechta in 2000 and went on to become the 2001 Res. Bundeschampion 4yr old Stallions. Grazienna's sire, the famous Rubenstein I, was from the outset one of the most popular sires who ever stood in Oldenburg. After an outstanding stallion performance test, in which he was placed third and an excellent first crop, he was the overwhelming main premium winner in 1990.

Performance Record: Donates is an exciting opportunity for North American Dressage breeders! He brings the sought after bloodlines of Diamond Hit, who is sired by the Blue Hors Star Don Shufro combined with the famous and legendary sire, Rubinstein I. Classic European breeding combine in a fabulous package to offer an unparalleled opportunity to bring some of the best that Europe has to offer to breeder's here in the United States!

At the 2005 30 day testing he was Reserve Champion with an overall score of 8.31. He received the highest score given for rideability, a 9. He also had the highest Interior score, 8.63 and the highest canter score, 8.75! To cap off the year, he was named the Oldenburg Horse of the Year at Second level and USDF Stallion Horse of the Year. At Devon in 2006, Donates was 2nd in the DSHB 4-year-old & older stallions and 2nd in the Stallion Championship class. He was 5th overall in the FEI 5-year-old dressage test with a score of 7.4%. Donates won Reserve Champion in the 2007 - 6 year old USEF/Markel National Young Horse Championships with a 7.804%! He has been competing at 4th Level and PSG in Florida in 2008 with consistent scores in the high 60's.

In 2009, Donates has continued to show in Wellington Florida in PSG with many scores in the 70's. In the 2009 large Get of Sire class at Devon, Donates' group was again 4th place. He has fulfilled all requirements to earn his lifetime stallion approval status through performance. He is an outstanding young stallion with the gaits, temperament, and conformation to both produce and perform with tremendous success. His most outstanding quality is his trainability and rideability which he passes on to his offspring. Donates is approved by Gemany's Oldenburg Verband as well as by Zweibrucker, Rheinland Pfalz-Saar.

Breeding/Progeny Record: His foals made their first appearances in the show ring in 2006. His filly, "Dior," was Champion Filly of 2006 Dressage at Devon with a score of 80.2%. She was later 2008 Region 9 USDF DSHB Reserve Champion Filly and Winner of "Born in the USA" 2008 Dressage at Devon 2 year old fillies. His son, Don Petroff, was the 2008 Region 9 USDF DSHB Champion Colt, 2008 Reserve Champion DSHB HOY Yearling Colt, and 2008 Champion Oldenburg DSHB Yearling Colt with a 76.3%. Donates' other offspring, Desert Rose, Dream Weaver and Designing Grace are also racking up points in the show ring.
