Performance Record: Charles de Kunffy called him a treasure. ES Donavan, an Elite Hanoverian stallion from Germany, was Reserve Ch. at his 100 Day test with 136.16 pts, earning 9's for rideability, willingness to work, trot, jump ability and 10 on canter. His scores remained in the high 60's and 70 %-iles throughout his long and notable career , including Grand Prix. He won numerous USDF Year End Awards, high point trophy, Freestyle awards at all FEI levels before his retirement from competition in 2003 at age 18. He was East Coast Licensing champion, Hanoverian, 1996. He continues sound, as a School Master and breeds a very full book of mares.

Breeding/Progeny Record: Donavan offspring win in ALL Disciplines, Dressage, Hunters, jumpers, Eventing. An approved son, Drachen Herz, 3/19 at 100 Day test, continues with wins in hand, over 80% and under saddle. Duesenjaeger , '99 is undefeated in '06 at First and Second Level, scores range into high 70%; winning Born in USA Ch. and High Points of show. Top Foals at inspections include Doha Day, D'Aktion, Don Noir, Duchesse, and GOV Premium filly '06 Donnachie. Donavan offspring are always represented at Regional Finals, and/or at Devon, under saddle and winning Breed classes. All receive remarkable temperaments, talent , beauty and tractability from their Sire, plus rideability for Amateur and Professional alike.. The perfect improvement sire for approved TB and Arabian mares, and the modern warmbloods.
