He also won the Qualification Finals as the 1993 Federal Champion of the German Dressage Horse in Mannheim. At his 100 day stallion testing, Donnerschlag scored 133.75 overall and 134.22 for dressage. He has had numerous wins and places through Grand Prix at international events, including World Cup.

**Breeding/Progeny Record:** Donnerschlag's FN breeding value rating in dressage is ranked near the top in Germany. In Bavaria, a Donnerschlag daughter was champion of the 1994 Mare Performance Test. In 1996, Doria was Champion of the Rhenic elite mare show. That same year, Dream of Heidelberg, Donnerboy and Donauwalzer were all successful at the federal championships in Warendorf. In 1999, Da Vinci sold for 35,000 DM at the NRW foal auction. Die Parade and Davis Cup each sold for 34,000 DM. Donna Doria, another daughter, was Champion of the Young Mares in Rastede in 2000 and sold for 200,000 DM at the Vechta Elite Auction. In 2002, Donnerschlag's son Dublin sold for 270,000 Euro at the PSI auction in Ankum. This magnificent stallion has multiple offspring competing very successfully in FEI level dressage. The U.S. breeders who have bred to Donnerschlag since his arrival in this country have been extraordinarily pleased with their foals and with Fairwind Farm's service. Donnerschlag has consistently produced premium foals, and stallion prospects over the past 5 years. See Fairwind Farm website.
