Origin: A very proven pedigree with winning ancestors in the competition of dressage and jumping. Dream Along is sired by the late Dream of Love (Dream of Heidelberg I) who showed much promise. Further information on sire line can be located in Stallion Book 2002-03. The dam sire Corleone (by Caletto II) is of noted Holsteiner Cor de la Bryere lines. Caletto II produced numerous top jumpers, including Classic Touch, a Gold Medal winner at the Barcelona games.

Performance Record: The Dream has winning proof of his excellent confirmation and gaits, and the name absolutely fits -- he is gorgeously handsome, has impeccable manners and tons of personality, superior intellect, and loves to please. Shown twice in the U.S., winning stallion championships at each event.
