Origin: Sire Espri, 1995 stallion of the year, produced 58 Grand prix offspring (8 dressage/50 jumping) and over 2.2 million dollars in winnings so far. World Cup winner E.T. FRH w/Hugo Simon, Enrico 134 w/Lars Nieburg, World Breeding Champion Edgar 12, Olympian Esprit de Valdemar and the Escudo brothers are some of his most well known

Escudo II's Dam, SPS Athene, who scored a high 7.82 for her performance test is by the state stud stallion, Arkansas, who stems from the same line as leading sire of showjumpers, Wanderer. SPS Athene also produced Federal championship finalist Erik 18 and Escudo. Escudo won show jumper competitions in series, the Federal vice championship at Warendorf and the 5 yr old championships at Dobrock

Performance Record: The star of the Celle stallion parade, black 16.1hh Hanoverian Licensing Champion Escudo II, is the only stallion in America who appears in both the Hanoverian Topliste Jumpers and Type besides Pablo. Escudo II is in the Hanoverian jumper program. Escudo II has the highest breed value for Type of any Hanoverian Jumper stallion (151 type and 134 conformation) His FN rating is 103 for dressage and 128 for jumping. Escudo II is a class I stallion who completed his testing at Adelheidsdorf with 125.63; 4th out of 43 stallions. 117.56 dressage and 125.73 for jumping.

Breeding/Progeny Record: Escudo II produced 9 licensed sons and several showjumpers up to GP level, 13 SPS mares and 47 offspring were selected for Hanoverian auctions. Escudo II has special talent, used in the Celle stallion parade as the poster boy for Hanoverian learning ability.

That he passes on his talent and ideal riding horse type is reflected in his high breedvalues. In 2008 and 2009 several Escudo II offspring got very high movement scores and were site champions. Escudo I became Hanoverian Stallion of the year.
