Owner of Record: Nancy Ferebee
PhD

EVA Status: Negative Vaccinated
Annually

Breeder's Terms: Stud Service Fee
\$1000 with LFG Premium, Premium
Producing, and Return Breeder dis-
counts.

Origin: FS Daily Hero represents the most influential and competitively successful bloodlines in German Riding Pony history. Both sire and dam lines include the German and European Champions in dressage, the highest money earners, a record number of Bundeschampionat winners and winners at the FEI Level up to Grand Prix in open competitions. While the stallions in Hero's pedigree underscore successful breeding, the mares who produced them have an even richer history of success through their daughters and their other stallion sons.

Performance Record: Hero was the Champion of his Stallion Licensing in Aachen Germany and Champion of his Stallion Test with scores of "9" on jumping. He was the Grand Champion of a USDF Open Breed Show and winner of 3 USDF Stallion Championships. He has 3 correct gaits including an extravagant walk, a naturally powerful piaffe, and beautiful and athletic jumping form. He is highly rideable by professionals, amateurs and children both in dressage and jumping. He has an "old soul" disposition that is both kind and self-assured.

Breeding/Progeny Record: Hero has been successfully crossed with warmbloods, thoroughbreds, crossbreds and ponies, consistently passing along his type. Offspring consistently inherit his beautiful topline and head, gaits and impeccable disposition. They are people-oriented, easy to train and intelligent. Comments from registry officials and foal owners include: "perfect topline"; "darling filly trots the pants off the warmbloods"; "he has Hero's inner soul - wise beyond his age, playful and energetic but with a great deal of wisdom and presence".
