Origin/Performance Record: Feingeist was approved in Germany in 1994, winning the prize for "best Trakehner type" at his approval. He is one of the approved sons of the Grand Prix dressage stallion, EH Van Deyk, who is the son of a TB (Patricius xx) out of the great mare, Vanessa, by Ibikus. Feingeist has produced excellent riding horses and brood mares, like SPS and Verband premium mare, Iwana, who was sold in the Hengstmarkt in Neuminster in 2003. His mare family of Flamme has a record for producing show jumpers just as well as dressage horses and the list of approved stallions out of that lines couldn't be any more interesting: Falkensee, Falkner, Flugwind, Fliedergeist, Avec Plaisir and the two champions Freudenfest and Farinelli. To top it all off, the third dam Flocke is also dam of the tremendously important sire Flaneur.

Breeding/Progeny Record: Feingeist's oldest offspring in North America are 3 years old. In Germany, he has 117 registered offspring, 16 mares are registered as brood mares. One of them is a premium mare, 3 are state premium and premium mares.
