Origin: Festrauch's sire, Florestan I, is one of the leading producers of dressage currently in Germany. He has been listed #1 on the FN's breeding value rankings for several years in a row and was the Champion of the 1988 Rhineland approvals and also won his stallion performance testing in Warendorf in 1989. Florestan has 50 approved sons, many States Premium mares, top auction selling offspring, and ultimately many very successful offspring in dressage.

Festrauch's dam is the Westphalian mare Candy Girl by the Holsteiner stallion Carprilli (Calypso I-Aldato). As Carprilli's pedigree may suggest, he is equally gifted in producing top quality show jumping horses as well as top dressage talent. He produced an outstanding mare base which earned him the title State Premium Stallion of Mecklenburg Association and to date, he has 12 approved sons and over 25 States Premium Mares. Among Carprilli's most successful offspring are the jumper stallions Clinton and Campari M.

Performance Record: Shown early in his career in materiale and FEI Young Horse classes, Festrauch earned high scores against his peers – including a win over Olympic Champion Salinero when they were both 5 years old. In that same year, Festrauch finished fourth at the FEI World Championships for Young Horses under Dr. Ulf Moeller.

Breeding/Progeny Record: The talented Festrauch son Froelich has been a standout in the FEI Young Horses classes for the past three years and also a multiple USDF Year-End award winner with his amateur-owner Dorie Forte. Freedomhall (Festrauch – Don Primaire), owned and bred by Dogwood Farm, easily passed his 30-Day Stallion Test in 2008 and earned scores of 8 or higher for his interior qualities, walk, and canter. Carolyn Collomb produced two Premium scoring colts at this year's ISR/Oldenburg inspection out of her lovely Selle Francais mares by Quicklove Fontaine and Ahorn. Robin Lupert's BW-Forte scored consistently in the 70's during the 2008 winter season in Florida.
