**Origin:** Festrausch's sire, Florestan I, was the Champion of his stallion licensing and won his stallion performance testing. Florestan has 50 approved sons and many States Premium mares. International standouts Fidermark, French Kiss, Florencio, and Floriano are Florestan sons. Festrausch's dam is by Carprilli, a son of Calypso I, who has been an important jumper sire. Among his notable offspring are Campari M and Certus.

**Performance Record:** Shown early in his career in materiale and FEI Young Horse classes, Festrausch earned high scores against his peers – including a win over Olympic Champion Salinero when they were both 5 years old. In that same year, Festrausch finished fourth at the FEI World Championships for Young Horses under Dr. Ulf Moeller. Festrausch qualified again as a six-year old for the World Young Horse Championships with high scores in his qualifying competitions. His training continued into the FEI levels.

**Breeding/Progeny Record:** Numerous Premium awards have been given to Festrausch's youngsters from a variety of mares. Froelich has been a standout in the FEI Young Horses classes, multiple USDF Year-End award winner, and is now winning at Fourth Level. Froelich's temperament is exceptional and allows him to be competed by both a professional and his amateur owner. BW-Forte and Friedensfest are continuing to make their mark in the show ring as well and Freedomhall passed his Stallion Test with scores of 8 or higher for his interior qualities, walk, and canter in 2008.
