2009 Hilltop Farm Stallion Line-Up

Hit Parade

2002 Rheinlander, 17 H
Show Star / Ehrentusch / Pasternak

Hit Parade SFS recently won the USDF Region 7 Championships and CDS Championships at Second Level with scores above 70%. The past two years he has also been the top-finishing stallion at the USEF/Markel Young Horse Championships in his age divisions. Hit Parade's bloodlines offer proven FEI success through stallions such as Show Star, Sandro Hit, and Ehrentusch. His first two foals were named Premium at their inspections. While Hit Parade continues his competitive career under Sandy Burns-Gardner, Hilltop will manage his breeding career through the use of his frozen semen.
