**Origin:** Hit Parade is by Show Star, winner of the Bundeschampionat at three years and Reserve Champion at age four. He quickly moved into the FEI and finished second in the prestigious Nürnberg Burgpokal. Grandsire, Sandro Hit, has been one of the most popular dressage sires of the last decade. In the US, the Sandro Hit son, Selten-HW, was the USEF National Champion as both a 4 and 5 year-old. Hit Parade's dam, Esprina, also produced the licensed stallion and Grand Prix competitor, Roman Nature.

**Performance Record:** Hit Parade finished fourth at the USEF Young Horse Nationals as both a five and six year old. He easily scored into the 70's at Second and Third Level and was the 2007 USDF Region 7 Champion at Second Level. In 2009, Hit Parade debuted at Fourth Level with scores into the 70's. He is schooling all of the Prix St. Georges work and already showing a talent for the more difficult FEI exercises. He gives the rider an amazing feeling of maneuverability and power and offers an exceptional work ethic.

**Breeding/Progeny Record:** Hit Parade's first foals received Premium designations at their foal inspections and earned scores of 8.2 & 8.5 for movement. His oldest daughter is just being started under saddle and is proving to have a wonderful mind and willing attitude. Her gaits already show the power in the hind leg that is evident in her sire and she will make her show debut in 2010.
