Origin: Lagoheidor is full brother to the approved stallions Landwerder and Landor S, who became German National Champion of six year old jumpers. Their sire, Landadel, ranked sixth in the WBFSH Top 10 jumping sires in 1999/2000, is by the great sire Landgraf I, who produced sport horses across all disciplines. Landadel carries a double cross of the famous Ladykiller xx, who sired World Cup dressage finalist Leonardo da Vinci and show jumping finalist Silwa Little Gun, both competing in the same year at the World Cup. Also in the bloodlines, is the outstanding Furioso II, who produced Voltaire and For Pleasure.

Performance Record: Lagoheidor is a rare combination of having won both his Oldenburg Licensing and Stallion Performance test and is successful at both international FEI show jumping and dressage. Lagoheidor was supreme champion stallion of the 1994 Oldenburg approvals. A year later, he dominated at the Stallion Performance test in Medigen with a score of 140.75 points. He won the total classification with equally high points in all criteria including achieving a perfect score of ten for jumping. He is approved for breeding in eight registries. Lagoheidor won his stallion class at 2001 Dressage at Devon, before he and his owner/rider relocated back to Germany and successfully competed FEI dressage for the past six years. They have recently returned to New Jersey.

Breeding/Progeny Record: Lagoheidor has many upper-level offspring competing in both dressage and show jumping, including a son, Lonevan, who is listed on the FEI WBFSH World ranking list trained to Grand Prix dressage by Ingrid Klimke. Lagoheidor has sired several approved stallions including Lord Oldenburg who was Reserve Champion at his Stallion Performance test in Germany. Lagoheidor produces blood-impressed foals, true to type, strong in movement, and of the very best quality. A large percentage of his foals in Germany and the Netherlands have been awarded premiums at championships, and he has provided sought after offspring for the German auctions.
