**Origin:** LADYKILLER, the embodiment of the strong Thoroughbred. Strikingly beautiful stallion of pronounced masculine type, with good shoulder and wither. Powerfully muscled overall. Excellent legs. Good in all basic gaits. Good temperament and disposition. Produced numerous top jumpers and event horses, fewer for dressage. Passed on his good disposition. Very many first class broodmares and approved stallions (Landgraf I and Lord). Ladykiller was a clearly prepotent sire. Very talented over fences (lots of heart, ability, tight with front ends and good bascule). Marvelous basic gaits. Generally very good size.

The Dam sire, Zeus was a consistent sire of top jumping horses over a long career in both Germany and Holland. Zeus' German registered progeny had won a total of DM4.3 million by the year 2001, and in that year, he managed to finish in 10th place on the WBFHS rankings for the year, with his most successful progeny in that year being Zandor Z.

**Performance Record:** He qualified and participated in the 2001 and 2002 Bundeschampionat as a 5 and 6 year old and placed as a 5 year old at International horse show.

**Breeding/Progeny Record:** Limited Edition is a producer of lovely foals who consistently have the type, temperament, movement and work ethic desired in today's sporthorse.
