Origin: Being an outstanding type with excellent conformation and movement, Reiner K's sire, Rosenthal, is one of the leading sires of premium foals and mares in North America. His daughter, Rosentanz is the national 2009 USDF Horse of the Year for Training Level, and his daughter Rosalyn won the 3 year old Hunters at Devon. Rosenthal is sired by Rubinstein I who is legendary in the world of dressage breeding. Rubinstein I sired many internationally successful Grand Prix horses such as Rohdiamant, Royal Diamond, and Renoir-Unicef. Rubinstein himself won over 40 Grand Prix's and was on the 1996 gold medal German Olympic Dressage Team.

Reiner K's damsire, Feiner Graf, was sired by the 2002 Hanoverian Stallion of the Year, Werther. Werther is well known for producing both top jumpers and dressage horses such as Wahre Liebe ridden by Hugo Simon. Reiner K's granddam, Lima, is sired by the legendary stallion, Lungau. He is the damsire of 4 horses that competed in the Athens Olympic Games, Brentina, Barclay, Seven Up, and the individual dressage gold medalist, Salinero ridden by Anky van Grunsven.

Performance Record: Reiner K won the 3 year old Material class at Devon under Klaus Schengber with a score of 81.5%. In his 70 Day Stallion Performance Test he placed 7th overall and 4th in dressage with very good scores.

Breeding/Progeny Record: Reiner K has not yet been bred, and we look forward to his first foal crop from selected mares.
