Origin: Mantovani, Richman's sire, is a son of the internationally prominent French stallion, Quattro. His dam, Brieka, also produced in conjunction with Voltaire, approved stallions Iron and Guido. Mantovani is a very strong producer in both dressage and jumping.

Quattro has double talent shown by the official breeding index, where he scored 144 in jumping and 125 in dressage. He sired two offspring for the Olympics in Athens, Quando Quando and Oliver Q in jumping. Zeoliet, Richman's damsire, is by the breeding stallion, Ramiro, who has sired several approved stallions in Belgium, Germany and the Netherlands.

Performance Record: Recently imported from Denmark, Richman established himself with a successful career as a breeding stallion and an FEI competitor. He is the perfect example of the modern type warmblood stallion, possessing elegance, substance, excellent conformation including a beautiful head and eye and a great work ethic and disposition. 2009 USDF Champion All Breeds KWPN 4th level, 2009 USDF Reserve Champion Horse of the Year, 4th level. Median score 71.395.

Breeding/Progeny Record: Excellent out crossing bloodline has produced versatile dressage and jumping talent. Richfield, UK ,5 yr old winner of young horse dressage and novice eventing, Rubin C, first place in the three year old mare inspection in Denmark in 2008.
