Origin: Riverman's pedigree offers access to many top bloodlines successful in international sport. His sire, Redfort, is by Rebel Z, the full brother to Ratina Z, the 1992 Silver medalist in Show Jumping. Riverman bears the world proven influence of Landego, Calypso II, Landgraf I, Alme Z, and Cor de la Bryere.

Performance Record: Riverman was the Reserve Champion of his Holsteiner stallion licensing, where he was titled the "Top Model" of the approvals. Riverman won the 1995 Grand Championship at Dressage at Devon. Riverman continued his training through the Grand Prix level.

Breeding/Progeny Record: Riverman's offspring are his true accomplishment however. Rebecca X, has been a member of the Italian Nation's Cup Team and Riverstone is competing at the World Cup level. Reno and Bling It On are both Grand Prix competitors. In the hunter ring, horses such as Sailaway and Rhythm Man show their beautiful form.

River Run Roscoe, Reminiscent, O'Susannah, and Cody are all competing at the FEI Levels in dressage. Cody is also part of a well-known Advanced Pairs Driving Team with Larry Poulin. Cody and Rivage (another Riverman son) were the 2007 US National Champions for Pairs Driving and have twice represented the US at the World Pairs Championships.

Riverman offspring excel as three-day eventing horses. R-Star and FDF Riverina are both listed on the FEI WBFSh Eventing Rankings list. Slate River has been leading the USEA Intermediate Leader Board rankings for most of the 2009 season.
