Origin: Rosall's sire, Rosario, is a black Premium Oldenburg stallion

with a penchant for the collected work and high rideability. He offers a spectacular trot as well as an outstanding walk and canter. Rosario hails from the famous Rubinstein, inheriting his sire's willingness to work and dressage talent. Rosall's dam, the St. Premium Oldenburg mare Liberty, comes from the influential Akzent II by Absatz. A legend in both Hanover and Oldenburg, Azkent II is considered one of the most notable sires of rideable horses and a well known dam-sire.

Performance Record: Rosall was the Champion of his 30 day stallion testing at Munich-Reim in 2007. Highlights at the testing included 8's and 9's in rideability, character, and gaits. After his performance testing, Rosall was imported to the United States by current owner, Wendy Costello of Kent Island Sporthorses, and entered into training with JJ Tate. Rosall earned scores in the 70%'s at Training Level and won the Four Year Old Stallion Materiale (Region One Finals) at Dressage at Devon. In 2008, Rosall and JJ continued at Training Level earning high 70's at prestigious competitions along the East Coast and ranked 9th USDF HOY at Training Level with 75.2% and 1st USDF All Breeds GOV at Training Level. In 2009, at the first ever ISR/Oldenburg, NA 10 Day Advanced Stallion Performance Test, Rosall reigned Champion with 9's on his character, rideability, willingness to work, and from his Expert Rider. The 2009 competition season was JJ and Rosall's debut at Third Level with scores in the high 60% and 70% range. As a 6 year old, Rosall qualified 3rd in the country for the National Young Horse Championships.

Breeding/Progeny Record: Rosall's first foal arrived in 2009! Royall KIS, out of a Rolls Royce mare, earned Premium status at his GOV inspection. Royall KIS is a very correct colt with a sweet temperament. At Dressage at Devon, he earned an 8 for conformation and a 7.8 on movement and overall impression.
