**Origin:** Rubignon - Rubinstein/Donnerhall/Pik Solo, 4 generations of Grand Prix and international performance combined with fantastic character, temperament and type. Rubignon's Dam, "Una Donna," is from the "Utoba" stamm with Samun xx and Vollkorn xx on the bottom. This Stamm produced the licensed stallions Azzarro, Landtinus, the International jumper Figaro's Boy successful with Ludger Beerbaum and from Una Donna herself Racoon, Una Placida, a successful jumper, and Rubignon.

**Performance Record:** Rubignon was listed for the Swedish Dressage team in 2008 and 2009 and has 17 GP wins, placings including international wins in his name. He is approved with multiple registries and tested in Sweden with 9's for jumping. His temperament is superb, true to his sire, his movement even better than Rubinstein said German Oldenburg Judge Evelin Vollsted during Rubignon's licensing.

**Breeding/Progeny Record:** Rubignon was popular from the beginning and the most popular breeding stallion for SWANA both in 2002 and 2003. He bred the following years in Germany and Sweden where he also had a successful Grand Prix career. Rubignon produced lots of premium foals and several licensed son's, including Replay who also has a successful show career, and champions at inspections for various registries. Premium colt, "Royal Flush," (Rubignon/Chenook) was written up in the Oldenburg horse magazine as the most generous mover on the US tour. "Roxette"(Rubignon/Warkant) was champion mare at her inspection.
