Origin: Shakespeare RSF's sire, Sandro Hit, needs no introduction to Oldenburg breeders. He was German National Young Horse Champion and World Young Dressage Horse Champion. Sandro Hit progeny are breaking all price records, are annually winning championships and are Stallion Approval and Stallion Test champions. He has also sired National Champions. Shakespeare RSF's dam, Elite Mare Acapella by Arrian, was Reserve Champion Young Horse at the 2001 Mid Atlantic Hanoverian Breeders mare show, receiving a 1A premium. She is the dam of Showgirl who won the Born in the USA Championship at Dressage at Devon in 2008, winning her 3 year old mare class with a score of 87%, the highest score of the entire show of horses bred in the USA. Shakespeare's grand dam, EM Papagena, was herself a Champion at DAD and has produced two licensed stallions.

Performance Record: At the 70 day stallion test held at Silver Creek Farm, Broken Arrow, OK, Shakespeare RSF was the overall champion stallion with a score of 130.53. He was the winner of the dressage portion with a score of 136.10. He scored 105.31 in the jumping portion.

Breeding/Progeny Record: Shakespeare RSF's first foals were born in 2009, and they exceeded our expectations. Out of 9 Oldenburg foals, there were 8 Premium Foals and 2 Foals of Distinction. A colt was the top colt at a large Hanoverian inspection in OH. They are long legged, correct, beautiful movers and very typey.
