Origin: Sire Sandro Hit was crowned World Champion of 6-year-old young dressage horses in 1999 in Arnheim and has by now become one of the most influential sires of current times. His dam, who descends from the Donnerhall grandson Dream of Heidelberg, refines and strongly influences via Consul and Absatz exclusively Sir Alfred's pedigree.

His dam Charisma also produced with the sire Royal Hit the exceptional Oldenburg Brilliant Ring mare Comtessa 2007 in Rastede (owned by Paul Schockemöhle).

Performance Record: Sir Alfred successfully finished his 30-day test (8.48) in Neustadt/ Dosse. His 70-day test was by far above average with a dressage index of 125.34 points. At his first outings in 2007 he was victorious at A-and L-level of young dressage horse classes.

Sir Alfred is an elegant and extremely energetic mover, who is a fantastic future prospect for the modern dressage horse breeding due to his athletic achievements and his highly appealing pedigree in addition to his performance as a producer.

Breeding/Progeny Record: The stunning Sir Alfred is in many aspects very much alike his sire. He started his breeding career in 2006 and produced a convincing first crop of foals in 2007.

It was remarkable how the foals showed the same flashy movements as their sire and some have found homes in famous dressage-yards. The Birkhof stud bought eight foals by Sir Alfred!

Approved for Oldenburg, Rhineland / Pfalz-Saar, Bavaria, Hessen, Thüringen, Saxony, Baden-Württemberg and Italy.
