Origin: Sir Gregory's sire, Sir Donnerhall, was the 2nd reserve champion at his stallion licensing in 2003. In 2006, Sir Donnerhall was the reserve champion at the World Championships for young dressage horse in Verden, and then was the Bundeschampion for 5 year old dressage horses in Warendorf, Germany. In 2008 Sir Donnerhall had the highest index of dressage stallions with 182 points. His dam, Premiere, is also the dam of several State Premium mares, her sire is the successful Grand Prix dressage stallion Don Gregory. Sir Gregory's dam line is very strong with numerous approved stallions, premium mares and successful sport horses.

Performance Record: As a 3 year old Sir Gregory was the convincing winner of his 30 day test at Neustadt/Dosse, with very high scores in every category, Interior 9.25, Walk, 8.50, Trot 9.38, Canter 8.75, Rideability 9.38 Jumping Ability 8.00 Which gave him the high overall score of 8.85, highest score in the dressage phase of 9.08, and the very good score of 8.35 in the jumping phase. Sir Gregory has also enjoyed much success in the young dressage horse classes in Germany. We plan to continue showing Sir Gregory in North America in future, he will be ridden by Canadian Olympic dressage rider Leslie Reid.

Sir Gregory is a very modern type stallion, of striking good-looks, with a beautiful head and neck. He has very correct conformation, his gaits are powerful, with a lot of elasticity, very good use of the hind leg, and he already shows a very good ability to collect. Sir Gregory also has a very good temperament, he is kind, smart and learns quickly, this goes hand and hand with his high rideability.

Breeding/Progeny Record: Sir Gregory's first foals arrived in 2009, he had a very high percentage foals named premium by Oldenburg Verband. Sir Gregory also sired the colt who was named the champion colt in Zweibrucken, and was the overall reserve champion foal. 2010 will be Sir Gregory's first year standing in North America.
