Breeder's Terms: \$1400 LFG fresh semen (booking \$300 not included) \$500 discount for Premium and Elite mares \$450/dose frozen semen. Discounts available, please visit website for further information.

Origin: Sure Hit is the son of Germany Natl. Champion, Sandro Hit out of SPS Tettora by Furioso II. Sure Hit's damline represents a rare 4 straight generations of States Premium mares. His damsire, Furioso II, is a legendary foundation sire having produced over 80 approved sons and over 200 states premium daughters, giving Sure Hit a depth of pedigree rarely even seen in Germany.

Performance Record: He has shown successfully through Prix St. Georges and schools Grand Prix Dressage. For 2009, he will campaign as a Hunter/Equitation mount. His jump is as stylish as his look. A natural athlete.

Breeding/Progeny Record: SURE HIT has optimal breeding statistics with an overall 90% conception rate- most being complicated broodmares. His semen tests at 80% motility on cooled semen at 72hrs post-collection, as well as 80% post-thaw motility on frozen. His foal crops are very consistent with many premium foals in their respective registries. All are exquisite in quality, and many are noted premium even if the pedigree does not allow for the award. The foals are friendly, sensible, and very correct in conformation with long straight legs, well-developed hind ends, chiseled Sure Hit heads, and elastic gaits. He betters himself in his foals.
