**Origin:** Wamberto's sire, Rousseau, was the 2003 Silver Medalist of the World Breeding Championships for Young Horses and is widely thought of as one of the best producing stallions in the world. With three Champion sons and three Performance Test Champions out of his first four foal crops, we are only beginning to see Rousseau's influence.

Wamberto's motherline bears equal strength and genetic value. His damsire, Voltaire, is world renowned, both as a Grand Prix jumper himself and also as a sire of many international performers and influential stallions. With over 30 approved sons, it is not surprising to see Voltaire's influence behind such notable names in sport like the dressage star Idocus, the top hunters Popeye K and Nobleman, and the international showjumpers Viktor and Conquest. Wamberto's dam, Olinda, and his granddam, Jalinda, have produced international jumpers and licensed sons.

**Performance Record:** Harmony's Wamberto was the 2006 Champion of the KWPN Stallion Show. His bright expression, outstanding elasticity, and superb elevation brought the crowd to their feet in Den Bosch. At the 2007 100-Day Stallion Performance Test at Paxton Farm in Ohio, Wamberto surpassed his peers winning the test with an impressive margin. His overall performance index was 158.78 where the second placed stallion earned 135.52. With a dressage index of 168.87 and jumping index of 145.15, Wamberto strongly demonstrated his versatility and outstanding athletic ability. He had perfect 10s for character and canter, 8s and 9s for walk, trot, and rideability.

**Breeding/Progeny Record:** Wamberto's first foal crop has already met great success! Walberto (ds. Rosenthal) was the Reserve Champion Colt and High Score of the Summer Breed Show at Proud Meadows, TX. Wamberto had Five Champion/Reserve Champion foals on the KWPN-NA, AHS and Oldenburg, NA inspection tours: Eragon (ds. Welt Hit II), Whistler (ds. Caesar), Wambertina MRF (ds. El Bundy), Winchester (ds. First Class), and Wailea (ds. Riverman)!
