**Performance Record:** Windfall was imported in the fall of 2000 as a 5 year old by Olympic Bronze medalist Charlotte Bredahl. In 2001, he was named USDF Horse of the Year at Third level with a median score of 72%. In 2002, Windfall was AHS Horse of the Year at 4th level. In 2004, he was AHS and USDF Int. 1 Horse of the Year with a median score of 71%. He was also High FEI score for AHS in 2004. His show results are indicative of his great temperament and trainability, as well as wonderful elastic movement and suppleness.

**Breeding/Progeny Record:** Windfall consistently passes on great temperaments and trainability as well as strong top lines and beautiful heads. I hear over and over again how much his offspring love people and how much they love to work. Generally the offspring have a lot of suspension in the trot, a very well balanced canter and a good clear walk. Lately, I have been training some for clients and they are also very light in the mouth and easy in the connection. My own three year old Westpoint (By Windfall) is by far the nicest and most trainable young horse I have ever owned. I am very excited about his future. See website www.bredahldressage.com for pictures of offspring.
