**Breeding/Progeny Record:** Alabaster has produced many premium auction foals that have sold for record prices at the Vechta auction. He also produced 10 approved stallions and many states premium mares. His dam St.Pr.St Wiscaria had another colt by Contender and a filly by Davignport. Both are being shown successfully in the south. Allerbester has produced a few test foals producing size, elegance and elastic movement. His first full foal crop was born in 2004.
