Origin: Apiro is a son of the legendary, Argentinus, who for an amazing seven years led the FN statistics of his age group for the prize money earned by his progeny with offspring competing at the international levels in both dressage and jumping. Apiro's dam, the State Premium mare, Pyrah H, is a strong producer of sporthorses including the showjumpers Perle, Pandora, and Power Girl, Rocci Balboa who has been successful in the young dressage horse classes, and the State Premium mare, Airline. She also produced the approved stallion, River Phonix, who won the Bavarian Championships and placed in the Bundeschampionat. Pyrah H is by the exceptional jumper sire, Pilot, who was the first showjumping stallion with progeny to earn one million deutschmarks. Apiro's second dam, Ceda H, is by the Cyklon son, Cyrus. The Hanoverian-based Trakehner, Cyklon, established a good jumper line and was a superior sporthorse sire.

Performance Record: Reserve Champion of his 30-day test in 2004 with an 8.51 overall and an 8.86 for jumping and a 7.99 for dressage. Qualified and competed in the 5 year old Bundeschampionat in 2005. 2007 USDF Mid-States Region Champion Mature Stallion with scores to 87.4%. Will be competing in the Working Hunters in 2008

Breeding/Progeny Record: Approximately 50 foals from three foal crops in Germany including the filly, Avril, who was 6th in the 2005 Luxembourg Foal Championships

First North American foal crop will arrive in 2008
