Highlights include Cabardino's win of the Regular Hunter Championship at the Winter Equestrian Festival in Wellington, Florida and the Kentucky National in 2007 as well as the Grand Hunter Championship trophy at Lexington, KY, in 2006. In 2007 Cabardino returned as Champion or Reserve Champion from all but one of the shows that he competed at in between his extremely busy breeding schedule. Most recently, he was Champion at the Royal Winter Fair in November 2007 in the Combined Hunters winning two over fences classes as well as the hack class.

**Breeding/Progeny Record:** Cabardino sired an approved stallion during his first year of breeding in Germany. He is known to produce beautiful, very flashy and refined foals with excellent movement. With his beauty, wonderful temperament and extraordinary scope and technique over jumps, Cabardino has captured the heart of many mare owners and horse enthusiasts. Both cooled and excellent quality frozen semen is available throughout the breeding season. Semen can be shipped from Canada into the US without any restrictions or permits.
