Origin: CACIQUE was imported to the United States en utero. His sire Cambridge has been an outstanding show jumper with progeny that has secured him a leading position in the Jumping Breeds Index of the German National Federation. CACIQUE's dam Kalanda II, a Premium mare with 53 bonit points, is by Linaro, the best son of Langraf I by the Legendary Ladykiller XX.

Performance Record: CACIQUE was approved by the Oldenburg Verband at its 2003 Fall Stallion approval. The AHHA approval committed described him as a good modern type Holsteiner stallion. He placed 5th at the 2002 100-Day Stallion Performance Test as a true three year old. CACIQUE is an outstanding young stallion with the looks, style, conformation and above all, the athleticism to be a dominant individual.

Breeding/Progeny Record: Caciques first foal crop was 100% Premium status with AHHA. CACIQUE was the Cosequin/USDF Southern Series Breeder Champion Stallion for 2003. CACIQUE qualified for the 2003 USDF Region 9 Championships.
