Origin: Caprimond, Contucci's sire, is always ranked near the top of the Jahrbuch Hengste listings for conformation, type, gaits, and rideability. He was a successful Grand Prix competitor in addition to his demanding breeding career. Caprimond was the 1998 Stallion of the Year. Contucci's dam Laureen was very successful in her Mare Performance testing, receiving 9's on all her gaits and earning an overall score of 8.1, and Contucci's full-sister, Capricia, is currently competing at the FEI levels.

Performance Record: Since 2002, Contucci has consistently earned top rankings on the USDF and USEF lists of Leading Sires, including being named the 2005 USEF Leading Sire for Dressage Breeding. Contucci won the dressage portion of his 100-Day test with an impressive 147.11, earning six 9's and overall Class 1 Status. He was trained through the FEI levels and has always exhibited a great enthusiasm for his work and wonderful rideability.

Breeding/Progeny Record: Contucci is a consistent sire of Inspection Site Champions, Elite Mare and Elite Mare Candidates, and Breed Show Champions, including three Reserve Grand Champions of Dressage at Devon (Cabana Boy, Con Dia, and Contigo). His offspring are also excelling under saddle. In 2007, Cabana Boy won the East Coast Selection Trials for Five-Year-Olds, represented the US at the World Championships for Young Horses in Verden, was the USEF National Five-Year-Old Champion, and finished off winning the NABF at Dressage at Devon with an overall 8.2. Daughter BW-Callista was the 2006 USEF National Champion for Four-Year-Olds with an overall 9.1. Cobra was the 2006 NABF Six-Year-Old Champion.
