Performance Record: An excellent jumping and dressage stallion. Corlando stood his breeding career at the prestigious Breeding Station Vorwerk where he was deemed first class in line, elegance and type. Corlando also possesses dynamic movement for dressage and achieved a perfect 10 for jumping during his performance test in Adelheidsdorf where his very good score earned him the status of Class I Stallion.

Breeding/Progeny Record: To date, Corlando has produced 4 approved sons, Confederate, Creskando, Conners (Loverboy), and Corrado G, as well as 59 broodmares, 6 of which have State Premium titles. He has 260 German offspring; 166 are registered show horses, with 2 winning in S-level dressage and 7 in S-level jumping. In 2000, Corlando was listed by the German Riding-Sport Federation (FN) as 15th of the TOP 100 stallions for production of winning offspring in jumping, and by the end of 2002 these offspring had combined winnings of 254,000 Euros!!! Internationally, a Swedish Corlando son "Cor de Son" was the 2002 FEI World Breeding Jumping Champion of 5 Year Olds under rider James Paterson (Aus) . His approved son Loverboy (AKA Conners) was successful at Grand Prix with earnings exceeding \$75,000. Daughter Calculated Risk, now owned by Triad Farm, competed at FEI levels under Norah Dombrowski. In addition she was the 1998 AHS site inspection champion and the high score mare at her performance test. In 2006 she was entered into the AHS Jumper Breeding Program with a jumping score of 9 & 8.
