Donner Bube Syndicate

EVA Status: Negative

Breeder's Terms: Fresh, cool transported and frozen semen (new for 2008) available. Terms: 2000\$ incl 400\$ booking fee which includes 1st collection.

Origin: Donner Bube is by 'Stallion of the Century' Donnerhall and out of States Premium mare Aldate, a member of the 'brilliant ring' at her Oldenburg inspection, scoring a 10 for trot. In addition, Donner Bube represents the much touted 'magic' cross of Donnerhall and Pik Bube I, by far the most successful of the Donnerhall crosses.

Performance Record: Donner Bube was the convincing winner of his Stallion Performance Test in Frauenfeld, Switzerland, well ahead of the nearest competitor. He scored 9 out of 10 in General Impression, in Engagement and Elasticity of Gaits, and in Jumping Technique. Earlier in his three-year-old year he achieved the top mark for rideability in a field test of more than 160 horses (144 for Rideability, 138 for Dressage, 134 for Jumping).

Donner Bube has demonstrated versatility! He competed successfully in jumping at the Intermediate level in Europe prior to his importation and continued to post clear rounds in limited showing in North America, earning reserve championships in jumping in both Alberta and Arizona.

Donner Bube's performance at the only Canadian clinic conducted by Conrad Schumacher in the fall of 2002 had observers convinced that his forte is in dressage, and Schumacher wanted to know why this horse was not competing in grand prix for Germany based on his movement and disposition. After converting from jumping to dressage, Donner Bube was awarded a Level 4 Reserve Championship and two Level 4 Show Championships in 2005. He competed at Prix St. Georges and Intermediaire I in 2007.

Breeding/Progeny Record: Donner Bube is a very fertile stallion, who is stamping his offspring – from a variety of mares – with lightness of the forehand, strong coupling, intelligence and responsiveness.

His offspring have garnered high placings and/or championships in Futurities, Materiale classes, mare inspections and performance tests. Donner Bube's versatility is exemplified by his rapidly growing roster of successful competitors in dressage, eventing, show hunters, jumping and combined driving. And, following suit, his daughters are producing the next generation of elegant athletes.
