Breeding/Progeny Record: Gold Luck has been consistently producing top foals and premium foals at inspections. He now is producing mares which have top foals, proving his worth as a broodmare sire. He has produced multiple winners and Grand Champions at breed shows across the nation. He has produced top ranked USDF year end award winners competing through third level and his oldest get are now reaching FEI levels in competition. He has produced top mares at their inspections, and has sired 8 Elite Mares and Elite Mare candidates. All the following horses were bred by Rolling Stone Farm: Ghambade, a Gold Luck gelding was 4th at the 2006 USDF/ Markel Young Horse National Championship in the FEI 6 year old test, ridden and trained solely by his owner. EMC Ghlycerine was multiple times Breed Show Grand Champion in 2006 and was second at Dressage at Devon for the USDF Sporthorse Breeders Championship, receiving the Born in the USA award for the second year in a row. She was also ranked 4th nationally in 4&5 year old mare materiale, ridden by her amateur rider. Ghypsy, Gholfer, Ghalewind and Ghenoa were winners in the breed show ring in 2006. In 2007, Ghypsy, Gholfer, and Ghlacier were show champions. EMC Ggamma Ray was the co-recipient of the 2005 AHS Benchmark Award for the highest free jumping score in the Mare Performance Test, and earned the fourth-highest Mare Performance Test score of that year. Ghuatamala was the high score Hanoverian mare at the large 2006 PA inspection with a score of 7.61. Ghenoa was the high score mare with a 7.56 over 23 mares at the AHS inspection in VA 11/5 & 6, 2006. She was also Grand Champion of the Mare Show. Ghranada was reserve high score for the mare performance test with a 7.61 and was the winner of the high score free jumping trophy with scores of 8 & 9. Whindlass, out of an Elite Mare Gold Luck daughter was the champion of the Mare Performance Test with a 7.65. Ghlenlivet is winning at 3rd level, and is ranked 7th nationally for the USDF, and first in MFS. See the website for details of other successful offspring and previous years results.
