Origin/Performance Record: Imported 1987, Le Santo was presented for Breed Approvals and received an amazing 51 Bonits including a 9 for type. This was the HIGHEST BONITS EVER in America and He held that title for almost a decade. He is repeatedly described as the ideal modern sporthorse. From 1990 through 1998, Le Santo was the LEADING PRODUCER of Premium Holsteiner foals AND mares in the US. In 1989 & 1999 He was honored as the "AHHA Sire Of The Year"

In 2006, 19 years after his first foals arrived, mares and foals by Le Santo are still receiving premium status.

Breeding/Progeny Record: Some of his offspring include Grand Prix Jumper Le Baron, Children/Amateur Jumper Lichtenstein, top Amateur Hunters Lisbon & Lothario, upper level dressage horse Nautika, Grand Prix dressage horse Lexus, Event horse Las Trampas as well as numerous sport horse breeding Champions. Le Santo has also proven himself to be an outstanding broodmare sire. Mares by Le Santo are consistently producing premium foals and Champions, including 2006 Sally B. Wheeler National Hunter Breeding Champion Uriela CWF.

A Legend in his time, He stamps his foals with powerful movement, extraordinary athletic abilities, an outstanding jump, remarkable dispositions and sound minds. His offsprings are well noted for being easy to break, train & are ideal for the amateur rider. Le Santo is approved for breeding with AHHA, GOV, RPSI, ISR & PHR. Le Santo had a 100% conception rate in 2007 with one cover per mare fresh & frozen semen.
