Origin: The grandsire, Sandro Z was one of Paul Schockemohle's foundation stallions. The Sandro dynasty has produced such incredible horses as Sandro Boy (World Cup champion) and Sandro Hit, grandchildren Sir Donnerhall, Shutterfly, Silberaster. Sancho's sire, Skorpio, competed very successfully in North America until his passing at age 19. The maternal grandsire, Contender, has over 90 approved sons in different Breeding Regions. Continue has proven himself over and over as a top mare producing sire. Sancho's dam, Celine has achieved GOV Elite mare status

Performance Record: At 7 years of age, Sancho (performing as Mill Creek Sancho) is competing successfully on the North American Grand Prix circuits. His gentle temperament makes him a joy to work with and his incredible stride and scope promise bright skies for this well bred youngster.

Sergio Campos, after his blistering win at the 2007 Atlanta Summer Classics' Lucky Sevens Welcome Stake aboard Sancho said, "He's the real deal. He's probably the best horse I've ever ridden."

Breeding/Progeny Record: Sancho's first foal crop in 2007 produced beautiful and correct premium foals with the same calm, gentle attitude as their father.
