Performance Record: In his short lifetime, Sinatra Song has enjoyed many successes. In 2005 he was named Premium stallion and Champion of his Hengstkouring. As a three year old Sinatra was one of two 3 year olds selected to represent the Hanoverian Verband at the Bundeschampionship. He finished in the reserve position and was the highest scoring Hanoverian. He went directly to his 70 day test where he scored 121 points in dressage . Highlights from his testing were , Character 9, Temperament 9, Trot 9, Walk 9, Canter 9, Gallop x-country 9, jumping rideability 8.25. This year Sinatra was well received by the American breeders and we look forward to a nice foal crop in 08. Inga Janke currently has Sinatra in training and took him to Dressage at Devon this fall where he won the 4 yr. and older stallions under saddle.

Breeding/Progeny Record: Licensed Oldenburg at the Bundeschampionate.
