Origin: Rainbow Spectrum's sire absolved his 100 day test in Medingen in 1992 scoring 121.74 making him a class I stallion. Spectrum's dam has very impressive bloodlines with some of the top Hanoverian and Oldenburg lines, including: Furioso II, Absatz, Gotthard, Argentinus and Cardinal. Allouette has produced all premium foals. Spectrum is destined to carry on his outstanding lineage.

Performance Record: 2002 he completed his 100 day testing at Paxton Farm, he received some of the highest scores 9's & 8's for temperament, character and ridability. 2003 shown lightly in jumpers with good placings. As a foal he was premium rated. Spectrum has done very well on the line at USDF breed shows in 1999, 2000 & 2001 including winning 3yr. colts & geldings at PVDA. He consistently placed in the top 2 at other USDF breed shows. He also had an impressive first year out under saddle in dressage. He was 3rd at Dressage at Devon in Suitable to become a dressage horse. Ribbons in dressage training-1st level.

Breeding/Progeny Record: His first foal crops are outstanding and he produced several premium foals and champion foals at inspections. Several foals have been winning on the line at USDF and A rated hunter breed shows. First foals just coming of riding age and are excelling in multiple disciplines.
