**Origin:**

**Performance Record:** Starlight has earned the title of 'Grand Champion' at three consecutive breeds shows, with no score under 85%! In 2007 Starlight was named 'Horse Of The Year' for the all-breeds stallion division, with a median score of 85%. Starlight also received a perpetual trophy, bronze and a place in the USDF hall of fame as the highest scoring horse in the country in 2007! A most prestigious honor. Starlight is currently competing in Open Prix St. Georges. Under the tutelage of owner/rider Rick Silvia, Starlight placed 2nd with a 65.750% in the Open Prix St. Georges division at the Kentucky Horse Park, Lexington, KY. His outstanding conformation, gorgeous movement, and charismatic personality make him the perfect stallion.

Olympic Medalist Lisa Wilcox, who is renowned for her ability to bring out the best in the stallions she trains and competes, had this to say about this promising young stallion, "Starlight has three beautiful gaits. His excellent pedigree makes him a very interesting breeding stallion for a variety of mare types. His outstanding uphill exterior and jet-black color lend for a breathtaking picture in the arena. I compare his personality to that of Royal Diamond. I hold great hope for this stallion".

**Breeding/Progeny Record:** Starlight's first American foals will be welcomed spring of 08!
