Origin/Performance Record: Elevages Mallet Barsalou proudly announces their newly approved Oldenburg Verband Trakehner Stallion Titulus!

Titulus ; Approved and (30/70) Performed tested in Germany! At the young age of 2, scoring a perfect 10 at his approval winning him the best jumper award AND high score in Trakehners at his 30 day performance test! In his 70 day test, finishing overall 6/16 with the 2nd highest score in Trakehners for Jumping and 3rd highest in Dressage.

Titulus displays excellent breeding for a Trakehner Jumper, with versatile and highly proven bloodlines such as E.H.Sixtus, Habicht and Kostolany. Titulus is a son of the multi-talented Kasparow. His dam line is one of the most proven and outstanding jumper performance lines in the Trakehner breed, enhanced by selectively breeding to top jumper producers like Caanitz, Timber and the impeccable Kopernikus.

Titulus German Engineered , readiness to perform at a maximum!

Breeding/Progeny Record: In Germany, Titulus has produced foals with athletic dispositions, excellent conformations and very typey! His second foal crop in North America arrives in 2008!
