Website: www.charlotfarm.com

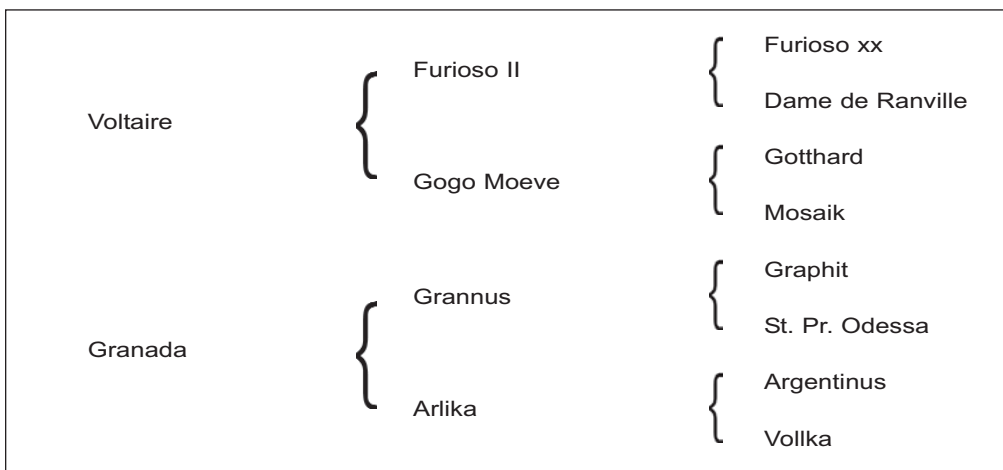

Owner of Record:

Augustin G. and Christine Walch

EVA Status: Negative

Breeder's Terms: \$ 2,000 cooled -
LFG \$ 750.00 frozen per straw

Performance Record: Viva's extraordinary jumping pedigree combines the famous bloodlines of Voltaire, Grannus & Argentinus. According to the publication Der Hannoveraner Viva was the stallion with the best jumping technique and score at the Hannoverian licensing in 1998.

Viva Voltaire has proven himself in the jumper ring, winning the Ontario Jumper Championship for 4 and 5 year old horses as a Four Year old. In 2001, he continued his winning streak claiming the Reserve Championship title both in Ontario and nationally at the Royal Winter Fair. Due to an injury, Viva does not compete any more and is available for collection at all times during the breeding season.

Breeding/Progeny Record: Viva Voltaire sire of several Young Horse Champions and numerous exceptional prospects for the dressage, hunter and jumper ring.

We have found our Viva offspring to be extremely marketable both as dressage and hunter prospects. Viva typically produces very pretty horses with lots of chrome, excellent movement, good technique over jumps and the most wonderful temperament. Viva's oldest crop of foals just turned six in 2007. During his first year as a breeding stallion Viva Voltaire produced outstanding horses for the dressage and hunter ring.

The stallion Viva's Salieri won the FEI 5 year old dressage class both at the prestigious Dressage at Devon with a dream score of 81.6% and at the CDI Ottawa with 78% under Tom Dvorak. Timberlake, aka Vivaldi, claimed numerous Hunter Championships on the West Coast as a 3, 4, 5 and 6 year old. Viva's Athletico, a four year old colt was the 2006 Eastern Canada Champion of the Canadian Performance Futurity Class for both Hunters and Dressage Horses, an extraordinary achievement. He clearly demonstrates that Viva Voltaire passes on a wonderful working attitude, athleticism, movement and versatility. Several of Viva's offspring have done well in the young horse jumper classes in Canada.

Viva Voltaire offers his outstanding temperament, movement, versatility and athleticism to your breeding program. Please request a DVD to fully appreciate Viva Voltaire's qualities. Both cooled and frozen semen is available throughout the breeding season. Semen can be shipped from Canada into the US without any restrictions or permits.
